Professional Summary

Junior Backend Engineer with professional experience developing backend services using Go. Experienced in REST APIs, gRPC, PostgreSQL, Docker, and scalable backend architecture. Worked as a Backend Intern and Part-Time Backend Engineer at Astergaze Technologies. Strong academic background with a GPA of 4.0 maintained across five consecutive semesters.

Technical Skills

Languages: Go, JavaScript, SQL

Backend: REST APIs, gRPC, Gin, GORM, Uber Fx

Databases: PostgreSQL, MongoDB

Tools: Docker, Git, GitHub, Linux

Concepts: API Design, Database Design, Dependency Injection

Experience

Astergaze Technologies

Nov 2025 – Apr 2026

Part-Time Backend Engineer

- Developed and maintained backend services using Go.
- Designed APIs and contributed to database-related development tasks.
- Worked closely with engineering teams in feature implementation and maintenance.

Astergaze Technologies

May 2025 – Oct 2025

Backend Intern (Go)

- Built backend services and APIs using Go.
- Implemented a Support Chat System from scratch.
- Worked with REST APIs, gRPC, PostgreSQL, and Docker.
- Participated in Agile software development practices.

Projects

Blog gRPC Service (Go, gRPC, PostgreSQL)

- Developed a blog backend service using Go, gRPC, PostgreSQL, and GORM.
- Implemented CRUD operations, service layers, and database integration.
- Applied dependency injection using Uber Fx and modular architecture principles.

Support Chat System

- Designed and implemented a backend support chat module during internship.
- Developed APIs, messaging workflows, and database schema design.

Colorectal Polyp Segmentation using U-Net

- Developed an automated image segmentation system using the U-Net architecture.
- Achieved Dice Score of 0.8048 and IoU of 0.7198 on the Kvasir-SEG dataset.

Education

Nepal College of Information Technology (NCIT)

Bachelor of Engineering in Software Engineering

Ongoing

- GPA 4.0 maintained in five consecutive semesters.

Leadership

IEEE NCIT Chair

Jan 2026 – Present

- Leading student branch activities, technical events, and member engagement initiatives.

IEEE NCIT Treasurer

Dec 2024 – Jan 2026

- Contributed to managing financial activities, organizing workshops, competitions, and branch activities.

Achievements

- GPA 4.0 maintained for five consecutive semesters.
- Scholarship recipient at Pokhara University Engineering Program.
- Best Academic Award (2023) in +2.
